## *INTRODUCTION*

This is a selection of images gleaned from the internet over the past 10 months, subsequent to the illegal invasion of Ukraine by the Russian Federation on February 24 2022. All copyright remains with the artists and photographers who created these amazing images. It remains clear that only one side in this conflict has a sense of humour, or humanity.

A Shiba Inu dog is depicted from the chest up, wearing a white lab coat over a light blue shirt and a dark tie. A stethoscope is draped around its neck. The dog is pointing its right index finger upwards towards the word 'Russophobia'.
